

As we come into the second quarter of 2025 a lot has been happening behind the scenes at LEEASA. Many new ideas, many ways to improve how LEEASA functions have been put on the table and explored.

As many members were informed in the last edition, Gert Oosthuizen was appointed as the associations Business Development Manager. Gert has shaped into this role perfectly with big plans and a lot of energy to ensure the continuity of LEEASA and the profession as a whole.

We look forward to our annual conference at The KITE exhibition, which will take place in July and the conference aligned with the Lifting Awards which will take place in August. We are also looking to explore ensuring we reach other provinces in South Africa and are able offer conferences to all of our members around South Africa.

LEEASA also encourages persons interested in CPD training, to compile the content and intellectual property and then registering for CPD certification on the courses. The industry really needs this training in order to ensure the continuity of the profession.

A reminder of how dire the situation is, at present we estimate there are just over 640 active LMI's. This number illustrates the state of the industry, with more upskilling and training needed for existing or old staff.

LEEASA is exploring innovative ways to train and asses new potential LMI's. This is a long road but we believe our concept will not only assist potential LMI's with their training but also potentially assist ECSA when it comes to practical examinations.

We have not yet held our regular meeting with The Department of Employment and Labour (DEL) and ECSA, however this has been requested by LEEASA, as to ensure we can align with the DEL and present our new proposed plans.

LEEASA encourages all members to join our social pages and Whatsapp group to stay up to date with the latest developments. This includes LinkedIn and Facebook.

In the coming weeks LEEASA members will receive insightful information on a regular basis, which includes safety bulletins and informative videos. If you are a member and have not been added to the group, please contact Desire' on admin@leeasa.co.za.

LEEASA's membership is definitely growing – we see this through our membership renewal and new members that have signed on. We encourage all members to pay their membership. The membership fees enable LEEASA to do more for our members.

Finally we would like to wish all members well for the remainder of 2025. If there is anything LEEASA can assist with – please contact Desire' on admin@leeasa.co.za and we will ensure you are assisted by one of our team members.
